SRPG Converter Terms of Use

1. Introduction

The SRPG Converter series is a set of materials for creating SRPGs using RPG Maker XP, VX, VX Ace, and MV. These materials were originally published and distributed by the game development circle *Lemon slice* and have been re-released with permission from its members.

Please adhere to the following terms of use when utilizing these materials.

Each sample project includes a text file containing the previous terms of use; however, these current terms take precedence.

---

2. Definitions

1. **Scripts, Plugins, and Image Materials**: Refers to the scripts (XP, VX, VX Ace), plugins (MV), and image materials included in the sample project.
2. **Sample Games**: Refers to the sample projects created as references.

---

3. Terms of Use

3.1 Use of Scripts, Plugins, and Image Materials

1. The scripts, plugins, and image materials can be used free of charge.
2. Copyright is not waived and remains with the respective copyright holders.
3. Modified or altered plugins and image materials can be redistributed free of charge.
   - The modified or altered materials are still subject to these terms of use.
   - Paid redistribution or sale is prohibited. However, accepting voluntary donations is allowed.
4. Plugins are released under the MIT license and can be freely used within its scope.
   - Scripts are also treated under the MIT license and can be freely used as long as copyright notices are not removed.
5. Credit attribution is optional.
   - Example credit notation:
     - Created by: *Lemon slice*
     - Distributed by: *Ohisama Craft*
6. Reporting usage is not required.

3.2 Use of Sample Games

1. Sample games can be used as references free of charge.
2. The contents of sample games (maps, events, databases, etc.) can be copied and modified for use.
3. Copyright of the sample games is not waived and remains with the respective

copyright holders.

4. The title images of the sample games are not included as materials and cannot be reused.

5. Creating and freely distributing modified versions of sample games (e.g., translated versions) is allowed.

6. Redistribution of the sample games themselves, as well as paid distribution or sale of modified versions of sample games, is not permitted. However, accepting voluntary donations is allowed.

4. Disclaimer

1. The creators and distributors bear no responsibility for any losses, damages, or disputes with third parties resulting from the use of these materials or sample games.
   - Examples: Data corruption or loss, malfunctions due to conflicts with other plugins.

2. Users are responsible for resolving any conflicts with other scripts or plugins.

5. Prohibited Actions

The following actions are prohibited, even within the scope of these terms of use:

1. Infringement of copyrights or trademarks.
2. Actions that exceed reasonable limits, such as:
   - Claiming authorship in a misleading manner.
   - Violations of public order, morality, or the law.
   - Infringement of others' rights (e.g., copyrights, trademarks, privacy rights).
   - Embedding malicious programs.
   - Use in works intended for defamation, discrimination, or criminal activities.
   - Any other inappropriate actions as deemed necessary.

6. Other Provisions

1. If the distribution of these materials or sample games is discontinued, already downloaded materials may continue to be used within the scope of these terms. However, no new support or updates will be provided.

2. These terms of use are subject to change without prior notice. Any changes will be announced on the distributor's website (*Ohisama Craft*).

3. The latest version of the terms can be found on the official distribution website or related documentation.

End of Terms
